

REPACK Elden Ring: Deluxe Edition [+ DLC]With Product Key Free Download

Power of the Elden Ring The player will not only be able to use legendary weapons and armors from the other world but also can forge an Elden Ring to become an Elden Lord. The combination of striking beauty and devastating ability is yours to show off. The game's combat is designed to be fun and easy to understand. While it allows you to enter a seamless transition between the strong attack and powerful defense, you can change your equipment freely and easily. Explore an Epic World Full of Excitement As soon as you start the game, you will traverse a vast world, with open plains, secluded woods, and huge dungeons. The variety of the world's landscape and environment will allow you to enjoy its beauty and see a myriad of different things. Craft your Unique Online Character A total of 6 types of classes exist, with characters designed to be powerful and a pleasure to play with. Your original skill-set will determine the classes you can select in the beginning, and the ability to change your armor and weapons at will will be part of the character customization feature. When the game starts, the Goddess of Heaven is already trying to protect the Elden Kingdom. However, the invasion of the Undead has spread throughout the world, having consumed all of the Goddess of Heaven's power. With the deity's power gone, the Goddess of Earth has been captured, and the Elden Kingdom is now in imminent danger. The player is the only person who can help - to rescue the Goddess of Earth and restore the glory of the Elden Kingdom. Game Features: ■ The game includes various battles. The player can experience a seamless transition from one battle to another, and thus, is able to enjoy the game with a multitude of experiences. ■ A World with Amazing Variety By combining realistic graphics, music, and an epic story, the game world is filled with excitement. The core gameplay is based on action RPGs, but there will be many battles and unexpected events. ■ Turn-Based Battle System You can attack enemies in turn-based battle and also can select an appropriate skill and magic for an attack according to the situation. ■ The game will have a variety of information. Information such as game settings, character information, and game messages can be obtained through the information tab. You will be able to also share game information with players you meet through a social tab.
